Dear Sirs:

In connection with the captioned application, and in response to the request from the Examiner via facsimile on December 15, 2007, Applicants submit an initial computer readable form (CRF) of the "Sequence Listing" generated on an IBM computer using PatentIn, Version 3.3 Software.

The attached printed sequence listing is identical to the sequences listed in the specification as well as the sequences in the .txt file (CRF) filed herewith.

Applicants aver that the sequence listings do not include any new matter or go beyond the scope of the application as filed.

Please direct any issues to Applicant's representative at the telephone number provided below.

Respectfully submitted,

Yonggang Ji
